What is the Sabbat?

The Sabbat is a faction of vampires in Vampire: The Masquerade characterized by its rejection of human morality, its embrace of the beast within, and its opposition to the Camarilla, the other major vampire sect. Unlike the Camarilla, which emphasizes masquerade and political diplomacy, the Sabbat is driven by a desire for chaos, freedom from human constraints, and the pursuit of power.

Over centuries, the Sabbat evolved into a formidable sect with its own hierarchy, rituals, and philosophies.

The sect gained prominence during the 20th century, especially during periods of societal upheaval, positioning itself as a counterculture that challenges the status quo of vampire politics. Its members are often seen as radicals, revolutionaries, and believers in the "destiny" of vampires to rule over humans.

Origins and History of the Sabbat

Historical Roots and Formation

The Sabbat's origins trace back to the early days of vampire society, emerging as a reaction to the perceived hypocrisy and corruption of the Camarilla. Established in the wake of the Second City Treaty (a truce that formalized the Camarilla's dominance), the Sabbat arose as a rebellious faction advocating for a return to vampire primal instincts and a rejection of human morality.

Its formation is often attributed to a schism among vampire clans and factions, with some vampires seeking a more brutal, unrestrained existence. The Sabbat's founders included influential figures such as LaCroix and other radical Kindred who believed that vampires should embrace their beastly nature and overthrow the masquerade's constraints.

Evolution and Key Historical Events

Over the centuries, the Sabbat evolved from a loose coalition of rebellious vampires into a formidable sect with its own hierarchy and rituals. Major historical milestones include:

- The Formation of the Sabbat (late 15th - early 16th century): As a response to the declining influence of the older vampire clans and the oppressive structure of the Camarilla, the Sabbat emerged as a unified front advocating open vampiric dominance.
