The History and Origin of Bowling

Bowling is one of the oldest recreational activities, dating back thousands of years. It has evolved from ancient games played in Egypt and Rome to the modern ten-pin bowling we recognize today. The game gained popularity in the United States during the 19th century and has since become a prominent sport worldwide.

Objectives of Bowling

The primary goal in bowling is to knock down as many pins as possible with a bowling ball, ideally achieving a strike or spare within each frame. Players aim to score the highest total points across ten frames.
