- Earnings or Income Section

Common components:

- Basic Pay: The core salary component, usually fixed.
- Allowances: Additional payments such as housing allowance, transportation allowance, meal allowance, etc.
- Bonuses and Incentives: Performance-based or seasonal bonuses.
- Overtime Pay: Compensation for extra hours worked.
- Other Earnings: Any other income components, such as commissions or profit-sharing.

Deep dive:

The total of these components constitutes the gross salary, which is the total amount earned before deductions. Understanding the breakdown helps employees recognize how their total earnings are compiled and identify any discrepancies.

The net pay is the amount an employee receives after all deductions are made from the gross salary. It is the actual amount credited to the employee's bank account or given as cash.
