Introduction to Keegan's Global Marketing Framework

Developed by renowned scholar Warren J. Keegan, the 7th edition of his Global Marketing textbook consolidates over four decades of research, teaching, and consulting experience. The framework emphasizes a strategic, customer-centric, and culturally aware approach to international marketing, integrating theoretical foundations with practical insights.

Keegan's model is distinguished by its comprehensive scope, covering everything from environmental analysis to market entry strategies, and adapting to rapid technological changes. Its core strength lies in providing managers with a structured pathway to identify opportunities, assess risks, and develop tailored marketing mixes suited to diverse global markets.

Core Components of Keegan's 7th Edition

Keegan's framework is structured around several interconnected components that guide decision-making and strategic planning:

- Assessing Market Potential: Evaluating economic indicators, growth rates, and consumer purchasing power.
- Regulatory Landscape: Understanding tariffs, trade policies, and legal restrictions.
- Cultural Environment: Recognizing cultural norms, values, language, and consumer behavior.
- Technological Infrastructure: Analyzing digital readiness and communication channels.

This comprehensive analysis allows firms to identify promising markets and avoid potential pitfalls.

2. Market Entry Strategies

Keegan delineates a spectrum of entry modes, from low-commitment options like exporting to high-commitment approaches such as wholly owned subsidiaries. The choice depends on factors like:

- Degree of control desired
- Resource availability
- Risk appetite
- Market complexity

Common strategies include:

- Exporting

- Behavioral traits

Once segments are identified, firms can target specific groups with tailored marketing mixes, increasing effectiveness and customer satisfaction.

4. Positioning and Differentiation

Positioning involves creating a unique value proposition that resonates across cultural boundaries. Keegan stresses that successful global brands adapt their messaging to local contexts without diluting core brand values.

5. Marketing Mix (4Ps/7Ps)

Keegan expands on the traditional marketing mix, emphasizing adaptation to local markets:

- Product: Features, packaging, labeling, and branding.
- Price: Pricing strategies considering exchange rates, tariffs, and purchasing power.
- Place: Distribution channels and logistics.

1. The Global Marketing Grid

A visual matrix that maps product standardization versus adaptation against market similarity versus differences. This helps firms determine the degree of standardization or customization needed.

2. Cultural Dimensions and Their Impact

Drawing from Hofstede's cultural dimensions, Keegan discusses how factors like power distance, individualism vs. collectivism, uncertainty avoidance, and masculinity influence marketing strategies.

3. The International Marketing Planning Process

A systematic approach comprising:

- Situation analysis
